Headteacher's Message

It's hard to believe that we're nearly at the end of another school year. As always, the year has flown by and what a busy one it has been!

The last few weeks have certainly brought some very hot weather but I have been incredibly impressed with how well our children have coped. They have continued to work hard, show resilience and look after one another, even on the warmest days.

I am so proud of everything our children have achieved this year, particularly their fantastic efforts in this summer's assessments. Our Year 6 pupils approached their SATs with maturity, determination and confidence, our Year 1 children worked incredibly hard in their Phonics Screening Check and our Year 4 pupils showed great perseverance in the Multiplication Tables Check. While the results are important, I am even prouder of the positive attitudes, resilience and determination they have shown throughout the year.

Last week, the children also enjoyed meeting their new teachers during Moving Up Day. It was lovely to see their excitement as they spent time in their new classrooms, got to know new staff and started looking forward to the next stage of their learning journey. I hope this has helped everyone feel prepared and excited for September.

Thank you, as always, for your continued support. Working together makes such a difference and it has been wonderful to see our children grow in confidence, develop new skills and create so many happy memories. We are looking forward to making the most of the final few weeks of term and celebrating another successful year at Fatfield Academy.

Mrs Dowdle

We did it!!!!!!!!

This term we had our OPAL re-accreditation.We received our 3rd consecutive Platinum Award which makes us **AN OPAL HONOURS SCHOOL**. There are only 13 schools in the whole country that hold this status. We are so very proud of this achievement.

Comments from the assessor....

Fatifled Academy is an exceptional school with regard to the quality of play provision provided to everyone. Every child has an amazing playtime every day. It also means that play is taken seriously at the school and is given appropriate leadership, planning, evaluation and resources. OPAL Platinum status puts your school in the top 0.05 percentile of UK primary schools in terms of the quality of your play offer. For the past 8 years, playtimes at Fatfield have and continue to be inclusive, joyful and provide a wonderful variety of types of play.

Thank you!

Our sponsored event raised an amazing £2550!!

We are going to be ordering some new Ipads to support learning next year.

Prizes will be awrded next week to the top fundraiser from each class.
